- Are you interested in creating the life of your choosing?
- Would you like to feel a greater sense of control in your life?
- Have you ever been curious about how your mind works?

Hi, my name is Barb Vermassen.

After experiencing what the Avatar tools can do for me, I was deeply motivated to provide that opportunity to others.

The Avatar course is an incredibly simple and powerful way for you to take charge of your life. The tools you learn are profound and even fun!

I'd like to welcome you to explore the possibilities of Avatar with me!

Please feel free to contact me with any questions or course dates near you.
